Examiner's Statement of Reasons for Allowance

1. The pending claims 2-16, 18-32, 34-48, 50-64, and 66-80 are allowed.

The following is an examiner's statement of reasons for allowance: As previously given reasons for allowance, the prior art of records similarly fail to describe a method, an apparatus, a system and a computer readable medium containing instructions for controlling a computer system to perform a method for providing speech control to a graphical user interface containing objects to be selected, the method comprising receiving a first audio input relating to the selection of one of the objects in the GUI; determining the one of the screen areas that has the highest priority and includes a first object matching the first audio input; selecting the first object, if the determined screen area only contains one object matching the first audio input', and using a second input to select one of the objects that matches the first audio input in the determined screen area, if the determined screen area contains more than one object that matches the first audio input as recited in the above claims.
